

7 in 7 - Simplified Identity

01 / WORDMARK LOCKUP

The Seven in Seven (7 in 7) wordmark is our primary brand asset. It should be used in black and gold on light backgrounds to maintain maximum contrast and technical clarity. Can also be used in a solid black, or white, or gold.

02 / CLEAR SPACE

Maintain a minimum clear space equal to the height of the '7' character on all four sides of the lockup.

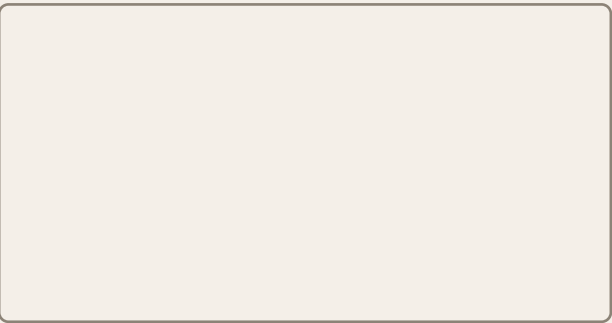

03 / CORE PALETTE

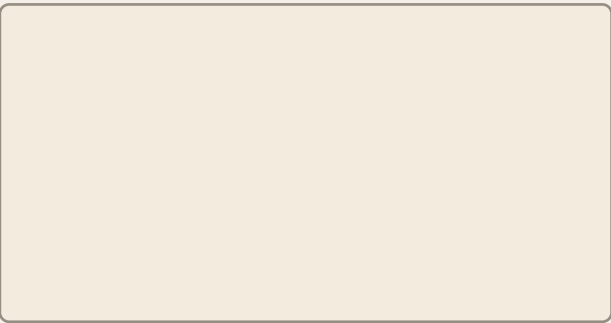

Go for the Gold
#0A0F1E

Cut to Black
#00E5FF

Blank Page White
#FFFFFF

Off White Draft
#1E293B

B-Roll Gray
#64748B

04 / TYPOGRAPHY SCALE

7 in 7 uses Cormorant for high-impact display moments and Geist for technical data and Inter for long-form reading.
